At the beginning of a new year the South Dakota Mennonite Disaster Service gives thanks to God for blessing our area with only minor disasters in 2018. We did, however, continue to support the National MDS project at Pine Ridge and will again do so in 2019. In October we hosted the Region 3 MDS annual meeting and in early December, 5 SDMDS persons volunteered to finish a remodeling project at the Sacred Shawl Society shelter for abused women and children at Martin, SD.

We are very grateful for the wonderful support that our communities, churches, and individuals have shown to us. We thank you for your support in prayers, very generous donations, and the volunteering of your time. May God Bless you for these many ways you show love and compassion.
