Praise & Prayer Concerns

- Pray that farmers may have patience and be safe as they work to bring in the harvest
- Matt Glanzer - Continued prayer for he and his family
- Tomorrow is Indigenous Peoples Day. Mennonite Mission Network requests prayer for the descendants of White settlers to understand their complicity in the oppression of the original inhabitants of this land. Pray also for mission workers who support marginalized people groups in reclaiming their land, their language, and their dignity.

Further details will be provided in the coming days. We ask that you discuss this matter with board members to ask questions and express your views.
