Nov. 1 Harvest Mission Festival

Children Sunday School: The Church Board has discussed Sunday School a lot over the past few months. While its hard to know what to do, the Board has decided to offer Sunday School for children beginning in October for those that are comfortable and want to participate. There is absolutely no expectation or pressure for anyone to attend if they are not comfortable or desiring to. We are simply offering it as an option for those that are desiring it. If you have any questions, please let Barbie Hofer know.

Thank you to Rina Hofer for the cheerful autumn decorations gracing both the front foyer and the sanctuary . Also **Sylvia Hofer** for the outside decorations. 'I am so glad I live in a world where there are Octobers.' L.M. Montgomery, Anne of Green Gables

Hutterthal will have our **Harvest Mission Festival on Nov. 1**. We will be joining in the 100th Anniversary celebration of MCC with several points of connection to their mission. Our guest speaker will be Megan Eisenbeis, originally of the greater Freeman community, who served with SALT in Nepal. While we are unable to have the traditional Harvest Mission Festival meal this year, we do want to respond generously to the many needs throughout the world that MCC helps.

Children's Sunday School

Fellowship time has always been so important for us as a church family. It has been good to be able to meet outdoors following the worship service in recent months to interact with one another. As the weather gets colder, the outdoor visiting will come to an end so the church board has decided that we would have fellowship time downstairs for those who feel comfortable in that setting. It will be a time for visiting with one another as we have done these past months but there will be **no coffee or beverages served**. As the virus numbers increase locally, we want to be mindful of everyone's safety as we propose this so we ask that you continue to show love toward each other by wearing a mask and social distancing. This is particularly important when we are in an indoor setting. Thank you. Edie Tschetter

MCC's Seed program has positions available now in Colombia, Guatemala and El Salvador! The Seed program is perfect for young adults (18-30) who value service, community, and cultural exchange addressing systemic issues like food insecurity and climate change through grassroots, community-based initiatives. For more information, visit mcc.org/seed or email abbyen-dashaw@mcc.org.

Prayer Requests and Praise:

- Please pray a **marriage blessing on Ross Hofer and Jeni Mae Jacques** as they were married yesterday, Saturday, October 17, 2020. May they have happiness, and may they find it making one another happy. May they have love, and may they find it loving one another.
- Les and Mary are looking forward to the **wedding of their daughter Lori Rensink** and a fine young man from Mount Vernon, Kyle Weiss. Lori is now an attorney and Kyle is a pharmacist. They will make their home in Sioux Falls. The wedding will be Saturday October 24 near Sioux Falls. Your prayers for safety and joy are greatly appreciated.
- For safe work practices and healthy habits for all farmers, so that people and communities may flourish and be strong
- Pray for all Mission Network personnel who are building bridges of trust between Christians and Muslims
