Hutterthal will have our **Harvest Mission Festival Today**. We will be joining in the 100th Anniversary celebration of MCC with several points of connection to their mission. Our guest speaker is Megan Eisenbeis, originally of the greater Freeman community, who served with SALT in Nepal. While we are unable to have the traditional Harvest Mission Festival meal this year, we do want to respond generously to the many needs throughout the world that MCC helps.

******Harvest Mission offering:** \$2,000.00 to MCC and the remaining offering will be 70% to Mennonite Mission network and 30% to Central Plains

A key mission of **Rural Revival**, the grassroots rural advocacy group of Freeman, is to encourage our farmers both young and old to continue learning about new, innovative, and holistic ways of farming. We are excited to now be offering scholarships for select regional agriculture conferences, such as the MOSES Organic Farming Conference, Acres U.S.A Eco-Ag Conference, and Northern Plains Sustainable Ag Food & Farming Conference, among others. Rural Revival will contribute up to \$150 to cover registration costs. Visit ruralrevival.org to see a complete list of eligible conferences and fill out an application.

Giving Tuesday is coming up on December 1st. Your contribution to Mission Network will help us Be the Gospel through our valued partnerships, ministries, and resources. Visit

MennoniteMission.net/Donate to give on or before December 1st.

The October edition of **MDS On the Level** is now available from Mennonite Disaster Service. In our current issue, you can read how homes built by MDS have weathered recent hurricanes in Louisiana and Texas, MDS Canada builds it's first house during the pandemic and we are now accepting volunteers for fall and winter projects. go to this link for more information:

Prayer Requests and Praise:

- Tuesday is **election day** in the United States. Join Mennonite Mission Network in prayer for the vote to take place without violence and that leaders will be elected who will lead the country in ways of justice and peace.
- **Pray for the work of MCC.** There are so very many urgent and basic human needs around the world. May we hear God's call to share His love and compassion in Christ's name.
- Almighty God, We ask that You keep our hearts and minds open so that we willingly seek to touch those outside the four walls of the church; those who do not know You.

Mask ask! MCC is responding to a request from people on the Northern Cheyenne reservation in southeastern Montana for cloth face masks to help stop the spread of COVID-19. If you would like to sew masks, please use the following guidelines:

- Adult sized**, Use at least 2 layers of good quality cotton fabric (solid colors preferred)

- Elastic ear loops

- Nose wire/filter pockets optional

Please ship purchased or completed masks to the **MCC Central States Material Resources Center (Attn: Kate Mast) at 121 East 30th Street, North Newton, KS 67117**, or drop off in the 24 hour donation room at MCC by **November 15th**. They will all be collected and transported to Montana in time for the winter season. Questions? Please contact katemast@mcc.org.

MCC's Seed program has positions available now in Colombia, Guatemala and El Salvador! The Seed program is perfect for young adults (18-30) who value service, community, and cultural exchange addressing systemic issues like food insecurity and climate change through grassroots, community-based initiatives. For more information, visit mcc.org/seed or email abbyen-dashaw@mcc.org.
