Mother's Day

A mother's love -
how sweet the name!
What is a mother's
love?
A noble, pure and
tender flame
Extended from
Above.

Prayer Requests and Praise:

- Good and Gentle God, we pray in gratitude for our mothers and for all the women of theory who have joined with you in the wonder of bringing forth new life. You who became human through a woman, grant to all mothers the courage they need to face the uncertain future that life with children always brings.
- Pray to give our graduates and our children wisdom and direction in making decisions, and in each new situation and journey you have for them now. Teach them to listen closely to your voice, that they would have a heart to obey your Word and have a desire to make the right choices. We ask for you to open doors that need to be opened and close every one that should be shut tight. Allow every gift and treasure you have placed inside their lives to grow, develop, and flourish to bring you glory.
