Prayer Requests and Praises:

- Remember the David Friesen family as they work through David's cancer diagnosis and now Sam's appendicitis. Pray also for the medical teams that are caring for them.
- Mennonite Mission Network requests prayer for the Youth Venture teams that are spending two weeks in Benin and Indonesia. Pray for the seven participants at each location, their group leaders and their hosts. Pray that this experience will help build the global body of Christ.
- Studying the Bible, prayer, fellowship and accountability are important Christian practices that often happen in Sunday School for all ages. Pray for those who are organizing faith formation programs for the next school year and for those who will lead and teach.
- Pray for the whole of God's beautiful creation, the universe, our home planet earth, and all of its living creatures, for regions and species at risk, and for resource-sharing even among the oldest and bitterest enemies or conflicts. Pray for transformation and renewal, for the will and wisdom to care for all of creation as we have been called to do.
